I further agree to submit my manuscript for a similar review before its publication or presentation. In each of these reviews, I agree to comply with any decision of the reviewing official in the interests of the security of the United States, including the retention or deletion of any classified parts of such notes and manuscript whenever the Federal Agency concerned deems such retention or deletion necessary.

5. I understand that failure to abide by the conditions in this statement shall constitute sufficient cause for canceling my access to classified information and for denying me any future access, and may subject me to criminal provisions of Federal Law as referred to in item 6.

6. I have been informed that provisions of title 18 of the United States Code impose criminal penalties, under certain circumstances, for the unauthorized disclosure, loss, copying, or destruction of defense information.

THIS STATEMENT IS MADE TO THE UNITED STATES GOVERNMENT TO ENABLE IT TO EXERCISE ITS RESPONSIBILITY FOR THE PROTECTION OF INFORMATION AFFECTING THE NATIONAL SECURITY. I UNDERSTAND THAT ANY MATERIAL FALSE STATEMENT THAT I MAKE KNOWINGLY AND WILFULLY SHALL SUBJECT ME TO THE PENALTIES OF TITLE 18, U.S. CODE, SECTION 1001.

APPENDIX F TO PART 197—PROCEDURES FOR COPYING OF DOCUMENTS FOR THE FOREIGN RELATIONS OF THE UNITED STATES SERIES

1. The records will be reviewed and copied at the WNRC, Suitland, Maryland.

2. The requested records have been reviewed under the declassification provisions of E.O. 12958. Part of NARA's government-wide procedures for the review process requires that certain types of documents be tabbed for easy identification. Any tabs removed during the research and copying must be replaced.

3. When documents are being copied, a DoD/WHS/declassification and historical research branch staff member must be present at all times.

4. OSD will supply the copier, but the DoS must supply the toner cartridge, paper, staples, staple remover, stapler, and Post-It Notes. The copier is a Cannon Personal Copier-Model PC 425. It takes one of two cartridges—Cannon E20, which makes 2,000 cop-

ies and Cannon E40, which makes 4,000 copies.

5. The number of boxes to be reviewed will determine which of the following two procedures will apply. The Declassification and Historical Research Branch staff will make that determination at the time the request is processed. When the historian completes the review of the boxes, he or she must contact the Declassification and Historical Research Branch to establish a final schedule for copying the needed documents. To avoid a possible delay, a tentative schedule will be established at the time that the review schedule is set.

a. For a small number of boxes—the review and copying will take place simultaneously.

b. For a large number of boxes—the historian will review the boxes and mark the documents that are to be copied using Post-It Notes or WNRC Reproduction Tabs.

6. The documents must be given to the Declassification and Historical Research Branch staff member for transmittal to the Declassification and Historical Research Branch Office for processing.

7. The Declassification and Historical Research Branch will notify the historian when the documents are ready to be picked-up.

APPENDIX G TO PART 197—PROCEDURES FOR COPYING DOCUMENTS

1. The records will be reviewed and copied at the WNRC, Suitland, Maryland.

2. The requested records have been reviewed under the declassification provisions of E.O. 12958. Part of NARA's government-wide procedures for the review process requires that certain types of documents be tabbed for easy identification. Any tabs removed during the research and copying must be replaced.

3. The researcher will mark the documents that he or she wants to copy using Post-It Notes or WNRC Reproduction Tabs.

4. Any notes taken during the review process must be given to the WNRC staff for transmittal to the Declassification Branch.

5. When documents are being copied, a DoD/WHS/declassification and historical research branch staff member must be present at all times. In agreeing to permit the copying of documents from OSD classified files at the WNRC, the WNRC is requiring that the Declassification and Historical Research Branch be held solely responsible for the copying process. The staff member is only there to monitor the copying and ensure that all record management and security procedures are followed.

6. The Declassification and Historical Research Branch will supply the copier and toner cartridge.

7. The researcher will need to bring paper, staples, staple remover, stapler, and Post-It Notes.

8. When the researcher completes the review of the boxes, he or she must contact the Declassification and Historical Research Branch to establish a final schedule for copying the needed documents.

9. The documents must be given to the Declassification and Historical Research Branch staff member for transmittal to the Declassification and Historical Research Branch Office for processing.

10. When the documents are ready to be picked up or mailed, the Declassification and Historical Research Branch will notify the office.

11. All questions pertaining to the review, copying, or transmittal of OSD documents must be addressed to the OSD action officer.

12. The WNRC staff can only answer questions regarding the use of their facility.
